PROJECTS

Publicly Funded Project	Research Project “OPUS”
Dates	Since 2008
Activities or responsibilities	Deviser, project leader & manager, principal investigator
Type of research or sector	The project is related to the design of a simulation tool for manufacturing systems
Project funding and budget	Funded by Campania Region (POR3.17); total budget is € 900'500
Status	Closing phase
Publicly Funded Project	Research Project “LUCULLO”
Dates	Since 2010
Activities or responsibilities	Deviser, project leader & manager, principal investigator
Type of research or sector	The project is related to the design of a tool for enogastronomic delicatessen logistics management
Project funding and budget	Funded by the Ministry of Economy (Industria2015 - “Made In Italy”); total budget is € 3'403'000.
Status	Active
Publicly Funded Project	Research Project “LOGON”
Dates	Since 2010
Activities or responsibilities	Project manager & leader of the Research Unit of the Department of Management, “Tor Vergata” University
Type of research or sector	The project is related to the development of solutions to synchronize good transportation in Italy
Project funding and budget	Funded by the Ministry of Economy (Industria2015 - “Sustainable Mobility”); total budget is € 13'620'000.
Status	Active
Publicly Funded Project	Research Project: analysis of the temporal parameters of health services distribution
Dates	2007-2009
Activities or responsibilities	Researcher in the Research Unit of the II University of Naples, Italy
Type of research or sector	Health Care Services
Project funding	Ministry of University and Research (PRIN2007); total budget is € 35'000.
Status	Completed
Privately Funded Project	“SOGEI Termical side”
Dates	2011
Activities or responsibilities	Researcher in the Research Unit of “Tor Vergata” University of Rome
Type of research or sector	Thermic Optimization in a Mission Critical Data Center
Project funding	SOGEI spa, Rome - Italy (private firm)
Status	Active
Privately Funded Project	“SOGEI Electrical side”
Dates	2009-2011
Activities or responsibilities	Project Manager
Type of research or sector	Design of Electric Infrastructure supporting a Mission Critical Data Center
Project funding	SOGEI spa, Rome - Italy (private firm)
Status	Active
Privately Funded Project	“Ansaldo Breda Sirio”
Dates	2010-2011
Activities or responsibilities	Project manager
Type of research or sector	Maintenance & Product Lifecycle Management
Project funding	Ansaldo Breda spa, Naples - Italy (private firm)
Status	Completed
Privately Funded Project	“Camomilla”
Dates	2009-2010
Activities or responsibilities	Project manager
Type of research or sector	Supply Chain Management in the Fashion Industry
Project funding	CMT srl , Naples - Italy (private firm)
Status	Completed

Privately Funded Project	“3SUN”
Dates	2009-2010
Activities or responsibilities	Project manager
Type of research or sector	Design of Thin Film Photovoltaic Fab
Project funding	ALTRAN srl, Rome - Italy (private firm)
Status	Completed
Privately Funded Project	“SOGEI Amortization”
Dates	2009
Activities or responsibilities	Project manager
Type of research or sector	Analysis of amortization criteria of electric plants
Project funding	SOGEI spa, Rome - Italy (private firm)
Status	Completed
Privately Funded Project	“CIPI”
Dates	2008
Activities or responsibilities	Project manager, principal investigator
Type of research or sector	Warehouse design and optimization for merchandising items storage
Project funding	CIPI spa, Catania - Italy (private firm)
Status	Completed
Privately Funded Project	“BCR”
Dates	2007
Activities or responsibilities	Project manager, principal investigator
Type of research or sector	Warehouse design and optimization for spare parts storage
Project funding	BCR srl, Catania - Italy (private firm)
Status	Completed
Privately Funded Project	“Stryker”
Dates	2007
Activities or responsibilities	Project manager, principal investigator
Type of research or sector	Warehouse design and optimization for orthopaedic devices storage
Project funding	Stryker spa, Rome - Italy (private firm)
Status	Completed
Privately Funded Project	“MBDA”
Dates	2005
Activities or responsibilities	Member of the project team
Type of research or sector	Production Efficiency Increase in missile manufacturing
Project funding	Stryker spa, Rome - Italy (private firm)
Status	Completed
Privately Funded Project	“AMS Giugliano”
Dates	2005
Activities or responsibilities	Member of the project team
Type of research or sector	Customer care processes simulation
Project funding	AMS SPA, Giugliano in Campania, Naples - Italy (private firm)
Status	Completed
Privately Funded Project	“CESVITEC”
Dates	2002
Activities or responsibilities	Member of the project team
Type of research or sector	Innovation assessment in the shoes manufacturing sector
Project funding	CESVITEC, Naples - Italy (private firm)
Status	Completed

Self Funded Project	Research Project: Rice Value Chain Optimization
Dates	Since 2010
Activities or responsibilities	Project manager & leader of the Research Unit of "Tor Vergata" University
Type of research or sector	Supply Chain Management
Involved organizations	Guizhou University of Finance & Economics, Guiyang, P.R. China
Status	Active
Self Funded Project	"FGS-PLM"
Dates	Since 2010
Activities or responsibilities	Project manager & leader, principal investigator
Type of research or sector	Product Lifecycle Management Guidelines in Aerospace & Defence
Involved organizations	Finmeccanica Group Services (private firm)
Status	Active
Self Funded Project	"MIMO"
Dates	2010
Activities or responsibilities	Project manager & leader of the Research Unit of "Tor Vergata" University
Type of research or sector	Trasportation & City Logistics
Involved organizations	FIT srl (private firm)
Status	Completed
OTHER ASSIGNMENTS	
Dates	From 2004 to 2007
Activities or responsibilities	Project reviewer for the International Association (European Union) for the promotion of cooperation with scientists from the New Independent States of the former Soviet Union (EU-INTAS-NIS)
AFFILIATION/CERTIFICATIONS	
Association/Certifier	ISIPM - Italian Project Management Institute, www.isipm.org
Dates	Since 2011
Position / Certification awarded	Certified Project Manager (BASE) n° 1124
Association/Certifier	APICS – American Production & Inventory Control System, www.apics.org/
Dates	Since 2007
Activities or responsibilities	Academic Member n° 1648281
PROFESSIONAL SERVICES	
Name and type of organisation	Operations Management Team srl (private firm)
